This course explores the doctrines of Christianity using the Westminster Confession of Faith as the outline. The doctrines of Christianity are not founded upon the Westminster Confession, however. They are founded upon the revealed Word of God, and each chapter in the Confession recognizes this. The answer to the question, then, “What Do You Believe?” is likewise founded upon that same revealed Word, as is each subsequent question explored in each lesson.

I hope as we explore these questions together you will more confidently be able to answer the question: “What do you believe?”
